

Median Evaluation Form

This form is intended to evaluate the performance of the newer varieties of median irises, **two to three years after planting**. This includes varieties of: SDB, MTB, IB, BB, and ABM (no taller than 22")

The information will then be printed in the Medianite Magazine so that iris lovers all over the country and elsewhere can learn about the newer varieties of medians.

INFORMATION THAT NEEDS TO BE INCLUDED

Your Name _____

Address _____

Phone number _____ Email _____

Member of the Median Iris Society _____ AIS Region _____
